

5 Reasons to Choose a Trusted Procurement Platform that Grows With You

If your business is growing, shouldn't you choose a proven procurement platform designed to grow with you?

Here's what makes Coupa stand out:

An end-to-end solution that goes beyond intake

Create one unified buying process and effortlessly manage intake, orchestration, and beyond for all of your direct and indirect spend.

1

DON'T SKIP THIS TIP:

A comprehensive spend management platform should easily support reporting, compliance, and audit requirements. Coupa is ready to support you on every step of your journey with a platform that can scale with evolving business needs.

2

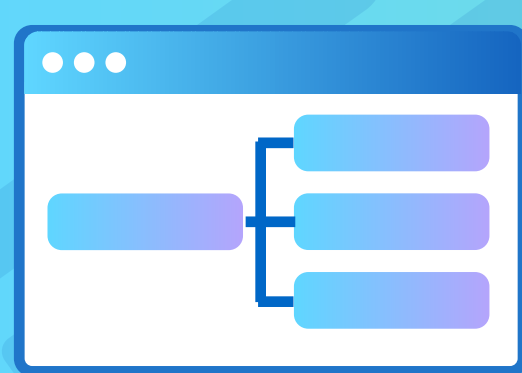

Top tier fraud detection and predictive insights with powerful AI

Uncover greater savings and efficiencies while stopping potential fraud in its tracks – even among third parties – with comprehensive, real-time AI-powered monitoring. AI-driven prescriptive insights trained on global transactional spend across a network of roughly 10 million buyers and suppliers also deliver insights that help you optimize your P2P.

DON'T SKIP THIS TIP:

Coupa makes it easy to use AI-powered fraud detection from day one – eliminating rogue spend and preventing fraudulent transactions before they happen.

An intuitive UX resulting in improved supplier and user adoption

Suppliers step into a simplified, frictionless experience with Coupa's Supplier Portal, which enables increased collaboration between buyers and suppliers. Coupa's higher adoption rates allow suppliers to get paid faster and buyers to benefit from pre-negotiated savings.

3

DON'T SKIP THIS TIP:

Increased supplier adoption helps improve on-contract spend and reduce rogue buying behavior.

4

One streamlined place to orchestrate payments

Easily find savings throughout your business, unlock working capital, better manage cash, and optimize your payment strategy.

DON'T SKIP THIS TIP:

Coupa Pay gives you access to a wide range of payment partners, diverse payments rails, and ensures flexibility and efficiency for all transaction types.

A secure, compliant platform your IT team will love

Achieve global compliance, power your future growth, and command new markets with a platform that delivers long-term cost savings, integrates seamlessly with your existing tools, and sets the gold standard for security controls.

5

DON'T SKIP THIS TIP:

Coupa's Compliance-as-a-Service helps you navigate the complexities of international invoicing and supports global operations. It provides embedded requirements, including SOX and audit compliance, ensuring regulatory adherence.
