

COUPA UNIVERSITY LEARNING PASS

YOUR TICKET TO UNLIMITED LEARNING

When it comes to Business Spend Management, there’s always something new to learn. Whether you’re just getting started, exploring the latest best practices, or looking to certify your expertise, a Coupa University Learning Pass is a convenient, economical way to get trained, get certified, and get ahead.

ALL-ACCESS PASS TO EXPERT TRAINING

A Coupa Learning Pass provides unlimited access to all online courses in the Coupa University store, including premium on-demand courses and virtual instructor-led training. Coupa’s team of instructional designers have prepared a rich training curriculum to accelerate learning, and our expert instructors ensure each course, whether delivered live or electronically, achieves its learning objectives. With a Learning Pass, learners are free to learn at their own pace, choosing the right courses or skills-based learning paths to build their practical knowledge and certify their expertise.

ONE PRICE FOR UNLIMITED LEARNING

Coupa Learning Pass holders have full access to the entire Coupa online training curriculum without having to pay on a course by course basis. For a single annual price, Learning Pass holders can choose from self-paced, on-demand training and virtual instructor-led training courses, plus complete certification exams to validate their expertise. Not only does this simplify budgeting, it can also translate into real savings.

BUILD SKILLS AND EXPERTISE

With a Coupa Learning Pass for every member of your team, you’ll have a convenient way for each individual to get exactly the training they need while being able to report on all courses and certifications they’ve enrolled in and/or completed. It’s the ideal way to build the functional knowledge and practical capabilities needed to reach your business goals while also supporting employee growth and retention.
