

May 12 – 15, 2025 | ARIA Resort Las Vegas

Proposal to Attend

Re: Coupa Inspire, Proposal to Attend

I am seeking approval to attend Coupa Software’s industry conference, Inspire Americas 2025, May 12–15, in Las Vegas. It’s a must-attend conference bringing breakthrough ideas and innovation together to redefine visibility and control over the money and resources spent within our organization.

This unmissable event showcases Coupa’s AI-native platform and brings together forward-thinking leaders from procurement, finance, supply chain, treasury, and IT. The opportunities for peer learning and networking will help us understand how other leaders are tackling common challenges in business spend and supplier management.

I will have a week’s worth of access to thousands of Coupa customers and prospective customers to ask direct questions and gain the best references and networking to support our business transformation.

The agenda is packed with innovative thought leadership, main stage presentations by Coupa executives and global partners, as well as guest keynotes and customer success stories. I also have access to half-day customer training sessions on Monday, May 12 as well as User Group sessions on Thursday, May 13.

Over 100 sessions are planned, covering many topics relevant to our business goals. Sample topics include:

- Coupa AI
- AP Automation
- Business Sustainability & ESG
- Compliance & Control
- Digital Transformation
- Direct Spend Management
- ERP Integration
- Fast Growth Business
- Cash & Liquidity Management
- Strategic Sourcing Savings
- Supply Chain Resiliency
- Third-Party Risk Management

My estimated cost to attend:

Item	Cost
Conference Pass	\$1395 (early bird)
Customer Training	\$200
Hotel Room at ARIA (\$269+reduced \$39 resort fee, plus tax of 13.38%)	
Flights and Incidental Expenses	
TOTAL
